

Russell Scott trip (Year 6)

We went to Russell Scott Primary School to learn about new applications that can be used on ipads. (they were called 'Codeable, hopscotch, & cargo bot').

We all enjoyed Codeable the most! We spoke to the lady who invented Codeable, through Skype in America !!!

We also tried to make our own games on an app - Kodu.

Charlie, Hayden, Ellie & Sian - Year 6

On Friday 14th March it was 2C's assembly. The children shared what they have learned about the Battle of Hastings. We had a news report from the battlefield, an interview with some knights and lots of facts about the Normans. The children all worked extremely hard to learn their lines and had lovely loud, clear voices. Well done 2C!

Chill Factor^e- Wednesday 12th March

We were very lucky to have been chosen to go to the Chill Factor^e, and were so excited. When we arrived we did the curling first, but didn't do very well with that, as we were against the Years 5 & 6's and we are only in Year 3.

Then we did the climbing wall, where we had to climb all the way to the top and ring the bell!

The fastest time was 9.15 seconds.

After lunch we had a go at tubing, which was really fun! Sledging was next which was really fast, then lugging, where you lay down and had to go feet first.

The last one was skiing with the funny hatted man!

We had a great time and would love to do it all again

Hannah & Millie Year 3G

Year 3 - Tombraiders

This term the topic in Year 3 was called Tombraiders we studied the Ancient Egyptians. We did lots of research and even went to the Manchester Museum We learnt about one of the most famous Tombraiders of all Howard Carter. Here are a selection of Blogs from our website, please log on to <http://www.corrie.tameside.sch.uk/blog/year-3> to read more.

I arrived in Luxor on Saturday morning. I took the train to Erement to see Callender.

A few days later I began to excavate at the valley of the kings.

By Saturday, November 4th, I discovered the first traces of the tomb.

The next day we had at last made the wonderful discovery of Tutankhamun in a magnificent tomb.

Thomas 3G

On Tuesday 19th we got on a coach to the museum. On the way there we sung songs it was fun. when we got there we got in are groups and explored the museum. First we went in the dinosaur room I stood next to a mammoth then we looked at stuffed animals they where so furry. Then we looked at the lizard room there was a snake and frogs and lizards. Then we looked at different kind of money and pots. After we learnt about Asru and what Asru wants in her tomb. Finally we went in the gallery and found Asru's mummy. Then we went back school we hade lots of fun.

Nursery News

We have had a very busy few weeks, the children enjoyed dressing up and taking part in the 'World Book Day' celebrations.

In fact, they were so inspired that they planned their own celebration, a Teddy bears picnic.

Thank you parents/carers for your contributions to the picnic we had lots of fun with our teddies.

We would also like to thank Miss Howard for the voluntary support she has given the Nursery this year and wish her the best of luck with the rest of her pregnancy-she can finally put her feet up for a while!

Strictly Dancing

We are all very much looking forward to our annual talent show. The children who are participating on the night have been feverishly practicing and putting in lots of hard work to make sure that you are all entertained on the night. Tickets will be available from Monday 31st March from the Junior office.

Brass Concert

On Monday the 24th March, we did a special concert with our brass instruments (Years 3 & 4). First we started by singing our warm up song, then after that we played 'sad brother Jack'. Everybody clapped, then the band played Chinese Dragons. It was very good, and we finished by playing Mr Cool. I think the parents enjoyed it too!
Years 3 & 4
