Wednesday 24th June	Reception sports day (weather permitting)
Thursday 25th June	KS2 Sports day (weather permitting)
Friday 26th	Sports Assembly

Health & Sports week

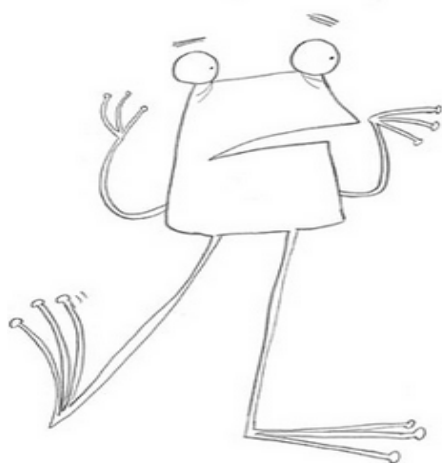

We will be sending out a provisional timetable for Health & Sports Week on Friday 22nd May.

Karate Demonstration

On Thursday Red Tiger Karate Club came into school to do a Karate demonstration. Max and Chloe were chosen to take part in it and each received a certificate. Everyone enjoyed the demonstration and now want to join the club! If you would like any more information about Red Tiger Karate Club just ask a member of staff.

1R Assembly

I am very proud of the class and their performance in the class assembly on Pirates.
Well done to all the children that remembered their words and looked very menacing as Pirates.
Thank you to all the parents that attended the assembly and enjoyed tea and toast in the classroom.
The children are really enjoying the topic on Pirates and learning lots of facts about the life of a Pirate.
Thank you for your continued support. Mrs Rafferty.

Nursery News

We have been talking about frogs and reading the story 'Oi Frog!' The children noticed all the rhyming words in the text, coming up with their own examples.

We have also created some lovely 'frogs in a pond' pictures and explored gellibaff (as pretend frogspawn)

We tried sitting on different items to see if they were comfortable such as a stool, log, sofa, mat, keys and even Mrs Palfreyman's old iron!

Homework Club

Just to remind you that homework club runs each night, after school from 3.30-4.15pm.

It is a good place to get that extra bit of support. There are places available. Please speak to Mrs Sattler for more details and to collect a permission slip.

Thank you

This half term we have been looking at France in more detail, learning some French songs and looking at where Miss Turner is travelling to. She is going to Carcassonne in the south of France for the school.

Aiden 4C

This term we have been learning about music. Our topic is called Let's Play. For our homework we have been making model instruments, posters for concerts and all different types of things. We are also linking our learning to the history of Corrie. Last Thursday we learnt about types of music that were around when the school was built in 1965.

Keisha 4C

I am enjoying our music topic this half term. We are doing the 'Ten Pieces' award and have been painting pictures of a storm. We have listened to a piece of music and painted the image that we get in our heads.

Thomas 4C

The children are working hard on their KS1 SATs at the moment. They are looking forward to starting the Seaside Creative Curriculum topic after the holiday and they will be preparing for Year 3 transition. Keep up the excellent work children! Start researching for our new topic now.

Mr Macdonald Year 2

A massive well done to year 6 for your hard work this half term and during SATs week. You all tried your best and we are very proud of you!

Mrs Faulkner and Mrs Marsden

Defibrillator

Our defibrillator which will serve both the school & the local community has now arrived in school. The staff will be having training after half term and will be confident and able to use it should the need ever arise. We are hoping however, that we never have to!

Message from the head

It's been a really busy half term here at Corrie, the year 6 children have sat their SATs tests, they have worked incredibly hard and I am sure they will all have done fantastically. The year 2 children have also been taking their SATs tests, I know both Mrs Ethell and Mr MacDonald are really proud of their mature attitude during this time. Due to lots of children arriving early breakfast club will open at 8am after the holidays, the club provides a lovely way for children to start their school day, there is always a lovely happy atmosphere with lots to do. Home work club is on every night until 4.30pm, it's a really good way for children to make sure that they have completed their homework or reading. The club also provides opportunities to use the iPads or art and craft materials that they may not have at home. Parents are also very welcome to come along and work with their children.

Corrie would like to extend a warm welcome to our new Business manager Mrs McMunn who joined us last week. I am sure that she will very quickly settle in and become a familiar face around school.

We would also like to say a very big 'thank you and good luck' to Mrs Caldwell who is leaving us to take a promotion in a school in Manchester. She has worked really hard for school and will be greatly missed by us all.

Have a great holiday and we will see you all back in on Tuesday 9th June.

Mrs Cartledge
