Friday 17th February- School closes for half term.

# This years attendance so far is 94%

# **Equipment**

Please ensure lunch bags, PE and Swimming kits are brought into school with your child at 9:00 am as office staff are spending increasing amounts of time delivering these to classes each day.

Please note all communications from school are now sent via ParentMail, if you aren't receiving these then please check at the office that we have your correct email address.

Did you know you can download our app so that all communications are stored in one place? Search for Corrie Primary School Denton in either the App Store or Google Play Store.

We seem to have a high number of head lice at Corrie School at the moment. The only effective means of control is for all parents to comb and check their children's hair frequently. If head lice are present then comb the hair repeatedly using conditioner and a nit comb. Chemist or Health Centres will always give advice as to the best method of treatment with lotions. Some chemist will provide the head lice treatment free of charge.

the Poetry Safari Young Writers Poetry Competition. We want to keep our work top secret at the moment. If our school wins, Corrie will win £500! There are prizes for the top 5 pupils too, including an animal adoption package.

Fingers crossed Year 1!

stART Primary School Art Exhibition will be on 10 March 2017 – 15 April 2017 At the 'Central Art Gallery' Old Street, Ashton under Lyne. View our Year Five 'Market Stall' instillation

We have had a busy start to 2017, welcoming new class members, children have been talking about homes and enjoying retelling the 'Three Little Pigs' story. This week the class have explored Chinese New Year with lots of related activities.

# Parking outside school!

The large yellow zig-zags with NO PARKING at the front of school are there to protect our children, they say 'NO PARKING' to keep the area clear so that children can SAFELY cross the road without being hit by a car that can't see them and they can't see because your car is blocking the view. If you chose to park in this area you are putting children's lives at risk, parking in this area stops a child having a clear view of the road, is it really worth a child being hit by a car so you don't have to walk a few more meters into school?

THINK CHILDREN'S SAFETY FIRST

Corrie Primary and Nursery School is a **No Dogs** School.

No dogs (other than dogs for the disabled) are allowed at any time within the buildings or on school site. Parents, pupils, visitors and staff must not bring dogs onto the school site at any time or tie them up outside any of the school gates or perimeter fencing unattended.

# Message from the head:

Welcome back after the Christmas holidays, it's lovely to welcome some new staff to school. Miss Heath-cote has joined us as our new Reception class teachers and Mrs Hall as our new teaching assistant across both Reception classes. Mrs Longhi has joined us as part of our learning support team working with both the Infant and Junior children. Miss Bithell left us at Christmas to concentrate on being a Mum and working part time.

Miss Stonehewer who has worked for Corrie over the last 14 years has sadly decided to leave, we will all miss her very much she was a brilliant team member who worked hard for all the children at Corrie over her time here and I know she will be greatly missed by children and colleagues. We would all like to take this opportunity to wish her well.

I hope that some parents will be able to join us during careers and aspiration week to talk to children about their jobs, it's really important that children are given a wide variety of information about the different career opportunities that maybe open to them in the future.

A big thank you to all the parents who have supported their children watching class assemblies and coming for tea and toast afterwards, the children really enjoy having you in school your continued support is much appreciated.

Mrs Cartledge
