

Impact of PE Premium Spending 2013/2014.

-Across the school, 77% made at least expected progress whilst 13% made better than expected progress.

-Staff have expressed an increased confidence in teaching certain areas of PE. The full implementation of the Val Sabin scheme should increase this further next year.

-Progression in all strands of PE has improved through discussion of the needs for this to improve with staff and meetings to introduce the new ideas for curriculum coverage.

-Implementation of new initiatives to add challenge and variety in lessons.

-Sports and Health Week was a huge success in school. Funding was used to provide the children with opportunities to take part in the following activities during the week in addition to the many other opportunities the children were given during the week:

-Climbing Wall.

-Archery.

-Life Education Bus.

-Multi-skills.

-Street Dance.

-Volleyball session with England Volleyball through link with DCC.

-Additional lunch time sessions have been geared to providing incentives for less active children to be more active at lunchtime.

-Awards have been paid for out of the PE premium budget to provide an incentive for children to take part in school sport throughout the course of the year. These awards are highly sought after amongst the children and are considered really prestigious.

-Through our link with the Tameside Sports Partnership, we have increased our participation in Sainsbury's School Games events to 5 this year, providing lots of our children with opportunities to take part in competitive sport.

-Through the Energy Club initiative, we have provided our year 6 playleaders with training to allow them to provide more exciting and diverse sessions for our younger children at lunchtimes. We have had 20 playleaders leading activities through the course of this year.

-Through our link with DCC we have been able to offer Gifted and Talented days and opportunities for our talented sports people this year.

-Through our link with the Tameside School Sports partnership and continued funding from the PE Premium, we use the 5-a-day fitness programme across school. This provides 100% of our children

with regular fitness sessions in addition to extra curricular sport and the 2 hours of curricular provision they receive.

-Through our link with The Tameside Sports Partnership, we have provided training for staff in line with what they perceived as their own needs for professional development in PE. (See section on staff training on the website).

-Through our link with DCC we have received curriculum teaching support from specialist PE teachers from DCC who have worked alongside our teachers to up-skill our teaching in certain areas to provide a sustainable level of high quality PE in the future. This has raised teacher confidence hugely.

-Through our link with DCC we have been able to provide cross curricular days at DCC which has been thoroughly enjoyed by the children as well as providing us with excellent teaching and resources as well as making transition to secondary school easier for our older pupils.

-Release time for the PE Co-ordinator has allowed time to work with other staff and to team plan and teach in certain areas to raise confidence.

-Additional kit has been purchased to make the children feel a greater sense of pride and belonging when representing school.

-29% of our children have been involved in extra curricular sport .

-100% of our children have been involved in intra-school sport this year due to initiatives including the 5-a-day fitness and our Sports and Health week.
