Message from the Head

It's been a great half term and children have settled quickly into their new classes and we are already seeing lots of fantastic work around school. As always the homework that children are bringing in is of a really high standard and really supports their learning.

All the children had a wonderful time at St Mary's Church to celebrate harvest. It was so nice to share that celebration with all the parents who joined us. Thank you for all the food donations, they make a big difference to so many within our community.

Thank you to all the parents who have attended assemblies and come to events in school, it's been great to see you all and share in your children's achievements.

Mrs Cartledge
