## Year 5 News

On Friday 19<sup>th</sup> January, 5W performed a terrific assembly about the Elizabethan age and about people in the Tudor times. We learnt lots of important information about the Elizabethan age and what they did in Tudor times. We also learnt about Queen Elizabeth 1<sup>st</sup> and her privy council, William Shakespeare doing auditions for his special play 12<sup>th</sup> night at the Globe Theatre and how Sir Francis Drake sailed around the world. Afterwards, we enjoyed showing off our work to our grown-ups and some tea and toast.

## Year 1 News

## A Hoy!

This term pirates have sailed into year 1. Our role play areas have changed into pirate ships with the children acting as the crew, looking for treasure. In geography, the children will learn where pirates travelled by learning the names of the continents and oceans. Also, we will look at the history of the Royal Navy, famous pirates and make comparisons between past and now.

## Year 2 News

Thank you to all the children and their parents for the amazing homework recently. I am so proud of the models, pictures and writing and they are helping to bring our castle role play area to life. Your work at home is much appreciated. Well done!

Mr Macdonald

We will be exploring the 'Gingerbread Man' story over the coming weeks. If anyone can donate any outgrown underwear- age 3-4 years (especially socks and tights) please bring them to the nursery.

Thank you

### Cashless School

We are looking into becoming a cashless school, this will mean that all school trips and events can be paid for online using a debit card.

School Meals can be paid for online using the following link <https://public.tameside.gov.uk/forms/f1005PaySchoolMeals559.asp>.

As you pay for your child to attend a trip it also gives us consent to take your child on the trip reducing paperwork for you and for us! Please come and talk to Mrs McMunn or Mrs Cartledge if you have any concerns about going cashless.

### Message from the Head...

There have been some wonderful class assemblies over the last few weeks, it's so lovely to see all the children full of confidence and sharing their work. Thank you to all the Parents and Grandparents who came along to the assemblies and afterwards back to class. Our maths workshop morning was a great success with lots of parents in classes thinking about maths along with their children. Once again 'Young Voices' was an amazing event for the children in the choir, thank you so much to the staff who gave up their evening to take the children and all the parents who came along to watch and join in.

Its really wet at the moment so please ensure that your child has appropriate footwear for the weather as the playground is often wet when the children are outside.

Mrs Cartledge
