Thank you to all the parents who attended year 3's
brass assembly.

We have really enjoyed playing cornets and
trumpets this year and we are very proud to have
been able to show you the songs we have been
learning.

On the 27th of June we will be taking our
instruments to the Bridgewater Hall to play some
of these alongside the Halle and we can't wait.

PTA—St Georges Day Disco

Thanks for supporting the disco, over £300 was raised towards the PTA
school fund. The children enjoyed the dancing and the refreshments !

Out of this world!

The year 1 children have, had an out of this world experience. They have seen an Alien Space ship flying over Corrie Primary school and seen a satellite crash into the playground. These are exciting stimulus for the children to begin their topic on Space.

They have drawn and created their own Alien characters and have written character descriptions.

They have begun to learn about Tim Peake the first British Astronaut to travel in Space. We have received some amazing pieces of homework linked to the Space topic.

Mrs Rafferty,

Miss Hope.

Message from the Head...

Its already been a busy half term with lots to celebrate, we all enjoyed 2Ms assembly, it really got the day of to a wonderful start, the children were brilliant, so talented.

The children in year 6 and year 2 are getting ready for SATs tests, they have all been working so hard to achieve their best.

We have lots of exciting events planned for the summer term and we hope you will join with us for the Royal Wedding celebrations. Lets hope the good weather is on its way and the children can enjoy some sunny play times.
