River Walk

River Walk

River Walk—Year 2

As part of our history & geography, we explored our local area, using a variety of different maps and identifying human and physical features of the land. As part of this work we walked to the woods and along the River Tame.

The weather was perfect for our walk. Thank you to all our volunteers, we hope you enjoyed the afternoon.

Year 2

A massive thank you once again to 'Able care and Support services' Tracey and Barry Jackson who have donated another £200 to school. We will be putting it towards the equipment for the sound system. We really appreciate all the support the company have given to us.

PTA Hot pot supper

We have arranged our Autumn Hotpot supper on Friday 19th October, this is run by the PTA its a great family night.

Last year we had to cancel due to lack of ticket sales, I know a lot of parents and children were very disappointed so I would ask that if you intend to come that you purchase your tickets by the cut off date as we have to order the Hot pot into school and they need final numbers in advance.

If you are able to help in any way please let staff know and we will pass this on to the PTA to contact you. We look forward to seeing you there.

Mrs Cartledge

Thank you to all the parents who came along to our MacMillian coffee morning, it was great to chat to parents and raise money for such a good cause.

From the Head Teacher

Its been a great start to the new academic year, we have already been inviting parents into school to take part in reading sessions and coffee mornings, we hope as the year goes on to see lots of parents in school sharing in their children's learning. The planner has now been sent to parents, please have a read through and come along to as many events as you can.

The children have chosen 'The Dogs trust' as our school charity this year to support. We hope that we can raise funds to help our local branch in Denton and that they will come and visit us in school.

Our year 6 children are already taking on lots of responsibility around school and I know they will be working hard and setting an example around school.

If you have a child in year 6 please don't forget to apply for high school, you can do this online.

Eco committee have already been making plans, from the ordering of our new water bottles that are Eco friendly and durable to collecting all the fruit food waste at break times for recycling.

All the children have settled quickly into their classes and the Teachers have lots of exciting events planned for this academic year.

I am looking forward to sharing an academic year full of learning and new experiences.
