Free School Meals

You can now apply for Free School Meals online using the following website:

www.cloudforedu.org.uk/ofsm/sims-tameside

Please apply if you are eligible as your child will receive a healthy lunch and school will receive £1320 per year to raise attainment within the school via Pupil Premium - you can still send your child with a packed lunch if you prefer.

If your child is in Year 2 please apply for Free School Meals if you want them to continue to receive a school lunch in September.

Name Labels

Have you remembered to order labels for you child's school uniforms?

Please remember to put your child's name in every item of clothing so they can be returned to you quickly if they get misplaced.

We are able to recommend stick-in labels that are washable and last a full school year! These labels are also dishwasher proof and suitable for use in footwear.

Labels can be ordered from: <https://www.stikins.co.uk> If you enter Corrie Primary & Nursery School's unique reference number 5034 then school will receive 5% commission on each set of

Sports and health week—Article written by Jaylen R

Competition winner !!

This week, the children of Corrie Primary School took part in sports and health week.

All of the children at Corrie Primary School got to learn new sports that they didn't know existed. They tried things like kick boxing, laser tag, capoeira and lots more. Parents came to watch their children doing the sports.

Charlie and Logan said that their favourite sport was laser tag and basketball.

Mr Griffin said 'the whole school had to do it the week before national sports week because it would have been hard to get all of the people in to school'.

HEALTH & SPORTS WEEK

During the week beginning Monday 17th June, we had another fantastic sports and health week in school. We really value the importance of sport and in keeping healthy at Corrie and this week is such a brilliant opportunity for the children. It gives them a chance to try out a selection of sports that they would not ordinarily have the opportunity to experience and last week, they had a go at all sorts of things: from Ultimate Frisbee, to Little Bikers, to Laser Tag, to Tchoukball. Unfortunately, the weather wasn't as friendly to us as we were hoping for, so the Sports Day's had to be postponed due to the state of the field, but every event that we had booked in for the week was able to go ahead. If there were any sports that the children tried during the week that they had a real interest in and would like to have another go at outside of school, please contact Mr. Griffin, who will put you in touch with clubs in the community. Congratulations as well, to all the children who won awards in our sports presentation assembly. The full list of winners is below.

Languages Day.

Thursday 27th June was our Languages Day. We all had lots of fun learning songs and dances not only in French but in other languages such as Mandarin too! Some classes did research about famous people from around the World and Y4 had a French breakfast! We all enjoyed sharing our work with each other in Assembly at the end of the day. Well done everyone

Miss Turner

Message from the Head

Once again the children had an amazing time during sports week, trying new
activities and learning new skills. It was great to see so many parents in school
supporting their children and joining in with the activities. We hope that children will
have taken part in new sports that they can take up in the future ensuring that they
have a healthy lifestyle. Our new Nursery children have been for their first visit into
school, as of September we will be running a full time nursery, we now have limited
places left so if you are thinking of joining the Nursery next academic year please call
in and see us for more information. Fingers crossed sports day for the Infant and
junior children will take place this week, we hope you can join us and support your
children.

Mrs Cartledge
