

Hello,

Following the recent changes to national restrictions, The Talk Shop will be offering counselling appointments via telephone. If parents/carers/young people would like to make an appointment, they need to ring 0161 376 4439 on a Wednesday for an appointment the next day.

If any parents/carers that need any support/guidance around mental health and wellbeing, please pass on my e-mail address (thetalkshop@tasfund.org.uk) and I will be more than happy to contact them or send any resources.

If you have any questions please do not hesitate to contact me.

Kind regards,

Ben

Ben James
