

# Online safety agreement for use with young people

September 2020

**This is one of the documents organisations need to ensure safeguarding is at the heart of their activities.**

Corrie Primary and Nursery School understands the importance of children being able to use the internet for education and personal development. This includes social media platforms, games and apps. We aim to support children and young people in making use of these in our work. However, we also recognise that safeguards need to be in place to ensure children are kept safe at all times.

This agreement is part of our overarching **code of behaviour for children and young people and staff and volunteers**. It also fits with our overarching **online safety policy**. If you would like to know more about this, please speak to Naomi Cartledge, Headteacher.

More information about online safety is available from [learning.nspcc.org.uk/safeguarding-child-protection/online-safety-for-organisations-and-groups](https://learning.nspcc.org.uk/safeguarding-child-protection/online-safety-for-organisations-and-groups)

**Young person:** please read the following agreement and discuss it with your parents/carers and teacher.

**Parents/carers:** please read and discuss this agreement with your child and then sign it, ask your child to sign it, and return it to the teacher. If you have any questions or concerns please speak to Naomi Cartledge, Headteacher.
