Nursery Places September 2022

If your child has their 3rd birthday before 31 August 2022 you can apply now for a Nursery place in September 2022.

Parents have the option of choosing mornings / afternoon only or all day. You may be eligible to claim the additional 15 hours for the afternoon session via <https://www.gov.uk/apply-30-hours-free-childcare>

If you do not qualify, you can still have an additional 15 hours (to make 30 hours) at a charge payable via ParentPay.

If you are interested or know anyone who would be interested, please feel free to let them know. Application Forms are on the school website or available from Junior Reception.

Please apply asap as places are allocated in the order that applications are received and you may need to give 1 months' notice to your child's existing Nursery.

[Citizen Portal - Sign in - Tameside](#)

Welcome to the ONE Citizens Portal. You can use this form to apply for: Reception - closing date 15 January 2022 offer date 18 April 2022 Tameside residents only; Infant to Junior - closing date 15 January 2022 offer date 18 April 2022 ** Tameside residents only** Secondary - closing date 31 October 2021 offer date 1 March 2022 Tameside residents only; In year (changing school during the ...

DEC Ukraine Humanitarian Appeal
Your DEC Contact Number: V6909939
£21.57 on 14/04/2022

Dear Supporter,

Thank you for donating to the DEC's Ukraine Humanitarian Appeal. Thanks to your generosity, DEC charities and their local partners are able to provide vital relief to people in Ukraine and in neighbouring countries. The first £25 million in donations from the British public were match funded by the UK Government through its Aid Match scheme, doubling the impact.

Your support is helping us meet the needs of refugees and displaced people by providing food, water, health assistance and trauma care.

You can stay updated with all the vital work DEC charities and their local partners are doing in Ukraine and in neighbouring countries with your support by following us on Facebook or Twitter.

Like us on Facebook -
www.facebook.com/DisastersEmergencyCommittee
Follow us on Twitter - www.twitter.com/DECappeal

Your gift will make a real difference in helping families fleeing conflict. The need is great and the response needed is likely to run into months and years. On behalf of all those your donation will support, we want to say thank you once again.

Yours sincerely,

Saleh Saeed
DEC Chief Executive

PS. If you are a UK taxpayer the value of your gift can be increased by 25% under the Gift Aid scheme at no extra cost to you. This means a donation of £10, for example, could be worth an extra £2.50 to us. Please do make sure you meet the qualifying conditions before returning the completed form to us.

The DEC is registered with the Fundraising Regulator.

Have questions or feedback, or would like to change how we communicate with you? Then please email support@dec.org.uk or telephone our Supporter Services Team on 0207 387 0200. Nursery Class

Nursery have been sharing lots of animal stories and learning about animals and their movements. We had a special visitor from the Library and listened to some fun stories. We also enjoyed a surprise visit from the fire service, and were able to spray water like an elephant!

KS1 Resource Base

The children had the best time when we had a visit from some Fire Fighters in School as part of the 'People who help us' topic.
Thank you to Fire Fighter Pete and his colleagues for a fabulous experience for the children.
The children were able to spray the hose and sit in a Fire engine. How exciting!

Mrs Rafferty

Reception

What a wonderful half term we have had in Reception!

We started the Summer term with our trip to Z-Arts for the Fairy Tale Exhibition. It was AMAZING! The children thoroughly enjoyed exploring Fairy Tale Town in search of the Gingerbread Gang who had stolen lots of items from different characters of many Traditional Tales. We especially loved becoming many of our favourite characters and stepping into their worlds.

The following week we came back to school to find a giant beanstalk had begun growing in our classroom! We recognised it from the story of 'Jack and the Beanstalk'. We have loved exploring the characters' feelings throughout different points of the story. We have also discovered that there are lots of different kinds of beans. We have begun planting some Runner and Broad Beans ourselves. We have found it fascinating watching their roots grow and some now have really long stems as they climb high into the air. We are currently making our very own books showing you how to plant a seed! We are really looking forward to tasting them once they have fully grown!

Boost Group

The Boost Group have had another busy half term.

Congratulations to all the children, who worked collaboratively to produce our 'Access All Arts' competition entry. The Boost Group **won the competition** and have won 5 high-definition Kid Zoom Studio camera kits for school! We can't wait to be able to use them.

The children have started a new topic 'A walk through Denton' in which they are looking at human and physical features of the local area.

They have also been busy learning about plants. The children have learnt about different parts of a plant and visited Notcutts Garden Centre, Ashton Park. The children have also been in the new science area helping to plant a range of different plants in the new sensory beds.

Thanks to Patricia from the Lancashire Wildlife Trust, the children have started weekly Forest School sessions and the children have already benefitted from new experiences and having fun.

Congratulations to Logan Tanker on receiving the Headteacher's Excellent Citizen Certificate.

Forest School

Year 1

Welcome back to the Summer Term! We had a lovely start to the term by celebrating Eid with our children during our RE lesson. Thank you to Aiyla Nawaz for sharing lots of lovely clothes, banners and decorations to help our children understand how Eid is celebrated. We have also been very busy in Science learning about all about plants. We have been busy growing our own Sun Flowers, the children have been exploring the school grounds to collect leaves so that we can identify and describe them using our observation skills. We have kicked off our Pirates topic, 'Ooooo Arrrgh!' with a swashbuckling treasure hunt around school where children have been busy hunting for pirate clues and treasure.

Year 2

Year 2 Forum

This half-term, the children in Year 2 have been learning about 'being healthy' in their jigsaw lessons. First the children learned about the main food groups and a balanced plate.

Then, the children thought about snacks they liked eating and they discussed how snacks could be healthy; they made and tasted fruit kebabs and avocado oatcakes.

Later, the children designed and made their own healthy snack which was a rice cake face, made with hummous and a range of vegetables. In English, they wrote instructions explaining how to make their healthy snack recipes

Year 3

This half term the children in 3L have started their topic on Extreme Earth. They enjoyed making a model of the Earth from coloured salt dough to show all the different layers. When they cut the Earth in half they could see these clearly. They have investigated earthquakes and volcanoes and practised what to do in the event of an earthquake. We have been reading Escape from 'Pompeii' by Christina Balit and in our English lessons the children have written poetry and plays and acted them out. They completed their own extract from the story too. Another busy half term!

Year 4

Grace Roberts from 4M has written this:

On Friday 13th May we celebrated Eurovision Day in Year 4. We dressed up, sang songs, danced in the hall and made cupcakes iced in yellow and blue for Ukraine who won the competition this year. We learnt all about the competition's history and had a really fun day!

Year 5

We've had an action-packed start to the summer term in year 5! We have started reading our final class novel 'Boy in the Tower' and have been kept on the edge of our seats by the plot's mystery and suspense. We have been really impressed with the children's discussions and predictions during our lessons. We have also started our new history topic looking at life in the Ancient Maya times. The children have created some fantastic Mayan masks and enjoyed creating their own ancient settlements and temples in groups using Lego and other materials. Some of the homework has been amazing and we have been blown away by the children's creativity. We have been improving our fitness levels by taking part in a daily mile. The children have had a brilliant attitude and are already seeing improvements with their running speed and endurance. The children are getting excited about their upcoming residential trip next month! If you have any questions or queries about the trip, please come and ask us!

Year 6

As you are all probably aware, last week the Year 6 children were busy doing their SATS tests. Whilst we don't find out the results until July, Mr. Griffin, Mrs. Lomax, Miss. Hopkinson and all the staff were incredibly proud of all the effort and dedication which the children put into the week. Their attitudes were fantastic throughout and they tried their very best with everything that the tests threw at them. Well done to each and every one of the children.

Message from your Headteacher

I want to start my message today with a huge thank you to Mrs McMunn, she has worked at school as our Business Manager since 2015 and will be leaving us today to start a new job in project management. Mrs McMunn has worked so hard in school, for parents, children and staff and we will really miss her. We all want to wish her the best of luck in her new job.

Over the last month we have had lots of volunteers into school to help with the setup of our outdoor science/learning area. It's been great to welcome so many people into school to help. They have all commented on how wonderful, helpful and polite our children are. We look forward to continuing to work with our volunteers to enhance the learning environments around school.

The children looked amazing today for our Queens Jubilee celebrations, we didn't let the wet weather spoil our spirits. We have planted a commemorative tree donated by Tameside Armed service community at the front of school with the help of a local veteran, Steve Wrigley. The children and residents had a great time on our parade around the streets. Thanks to all the parents that came to support us. Have a wonderful half term break.

Mrs Cartledge
