

# Pupil premium strategy statement

This statement details our school's use of pupil premium (and recovery premium for the 2022 to 2023 academic year) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

## School overview

Detail	Data
School name:	Corrie Primary School
Number of pupils in school	332
Proportion (%) of pupil premium eligible pupils 2022/23	37.3% (124 Pupils)
Proportion (%) of pupil premium eligible pupils 2023/24	35.2% (117 Pupils)
Academic year/years that our current pupil premium strategy plan covers ( <b>3 year plans are recommended</b> )	2022/2023 2023/2024 2024/2025
Date this statement was published	November 2022
Dates on which it will be reviewed	November 2023 November 2024 November 2025
Statement authorised by	Naomi Cartledge
Pupil premium lead	Simon Griffin
Governor / Trustee lead	

## Funding overview

Detail	Amount
Pupil premium funding allocation for academic year 2022/2023	£173,915.00
Pupil premium funding allocation for academic year 2023/2024	£169,025.00 + £14,172 Covid Recovery Premium
Pupil premium funding carried forward from previous years	£N/A
<b>Total budget for this academic year</b>	<b>£183,197</b>

If your school is an academy in a trust that pools this funding, state the amount available to your school this academic year

# Part A: Pupil premium strategy plan

## Statement of intent

When making decisions about using Pupil Premium funding it is important to consider the context of the school and the subsequent challenges faced. Research conducted by EEF should then be used to support decisions around the usefulness of different strategies and their value for money.

Common barriers to learning for disadvantaged children, can be less support at home, weak language and communication skills, lack of confidence, more frequent behaviour difficulties and attendance and punctuality issues. There may also be complex family situations that prevent children from flourishing. The challenges are varied and there is no “one size fits all”.

Our ultimate objectives are:

- ✓ To narrow the attainment gap between disadvantaged and non-disadvantaged pupils.
- ✓ For all disadvantaged pupils in school to make or exceed nationally expected progress rates.
- ✓ To support our children’s health and wellbeing to enable them to access learning at an appropriate level.

We aim to do this through

- Ensuring that teaching and learning opportunities meet the needs of all the pupils
- Ensuring that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed
- When making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged
- We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has legitimately identified as being socially disadvantaged.
- Pupil premium funding will be allocated following a needs analysis which will identify priority classes, groups or individuals. Limited funding and resources means that not all children receiving free school meals will be in receipt of pupil premium interventions at one time.

Achieving these objectives:

The range of provision the Governors consider making for this group include and would not be inclusive of:

- Ensuring all teaching is good or better thus ensuring that the quality of teaching experienced by all children is improved.
- To allocate a 'Catch Up' Enhanced Teaching Assistant to each Year Group - providing small group work focussed on overcoming gaps in learning
- 1-1 support
- Additional teaching and learning opportunities provided through trained staff or external agencies.
- All our work through the pupil premium will be aimed at accelerating progress, moving children to at least age-related expectations.
- Pupil premium resources are to be used to target able children on Free School Meals to achieve Age Related Expectations
- Additional learning support.
- Support payment for activities, educational visits and residential. Ensuring children have first-hand experiences to use in their learning in the classroom.
- Behaviour support

## Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Poor reading fluency.
2	Poor standards of oracy across all curriculum areas.
3	Poor mathematical fluency.
4	Attendance and Punctuality issues.
5	Barriers to learning for some children due to external issues

## Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Progress in Reading by developing reading fluency.	Achieve national average progress scores in KS2 Reading
Progress in Writing through development of oracy	Achieve national average progress scores in KS2 Writing

Progress in Mathematics due to the development of mathematical fluency.	Achieve national average progress scores in KS2 Maths
Greater Depth in writing	Achieve national average for greater depth writing
Other	Ensure attendance of disadvantaged pupils is above 97%

## Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

### Teaching (for example, CPD, recruitment and retention)

Budgeted cost: **£1,000**

Activity	Evidence that supports this approach	Challenge number(s) addressed
Teaching Materials and Equipment to support with teaching of PP children in school: £1,000		1, 2, 3

### Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: **£108,831.00**

Activity	Evidence that supports this approach	Challenge number(s) addressed
Staffing of TAs to provide intervention support. (50% of each of following TAs: LB;Tho;Jba;Tha;EJ; AH;VM;JBo (Full Cost-SM): £95,534.00	EEF (+4) Small group tuition is defined as one teacher or professional educator working with two to five pupils together in a group. This arrangement enables the teacher to focus exclusively on a small number of learners, usually in a separate classroom or working area. Intensive tuition in small groups is often provided to support lower attaining learners or those	1, 2, 3

	<p>who are falling behind, but it can also be used as a more general strategy to ensure effective progress, or to teach challenging topics or skills.</p> <p>Access to high quality teaching is the most important lever schools have to improve outcomes for their pupils. It is particularly important to ensure that when pupils are receiving support from a teaching assistant, this supplements teaching but does not reduce the amount of high-quality interactions they have with their classroom teacher both in and out-of-class.</p>	
<p>Reading Eggs and Mathseeds purchases to support parents with teaching of reading and maths at home and to provide in school support as well:</p> <p>£1,850</p>	<p>EEF (+4)</p> <p>Small group tuition is defined as one teacher or professional educator working with two to five pupils together in a group. This arrangement enables the teacher to focus exclusively on a small number of learners, usually in a separate classroom or working area. Intensive tuition in small groups is often provided to support lower attaining learners or those who are falling behind, but it can also be used as a more general strategy to ensure effective progress, or to teach challenging topics or skills.</p>	1 , 2 , 3
<p>Beanstalk Readers to provide those children with limited experience of reading to someone at home with the opportunity to do so in school:</p> <p>£1,320</p>	<p>EEF (+4)</p> <p>Small group tuition is defined as one teacher or professional educator working with two to five pupils together in a group. This arrangement enables the teacher to focus exclusively on a small number of learners, usually in a separate classroom or working area. Intensive tuition in small groups is often provided to support lower attaining learners or those who are falling behind, but it can also be used as a more general strategy to ensure effective progress, or to teach challenging topics or skills.</p>	1
<p>Speech and Language Therapy for those children who</p>	<p>EEF (+4)</p> <p>Small group tuition is defined as one teacher or professional educator</p>	2 , 3

require this to most effectively access learning: £10,127	working with two to five pupils together in a group. This arrangement enables the teacher to focus exclusively on a small number of learners, usually in a separate classroom or working area. Intensive tuition in small groups is often provided to support lower attaining learners or those who are falling behind, but it can also be used as a more general strategy to ensure effective progress, or to teach challenging topics or skills.	
Year 2 and Year 6 SATS booster sessions to provide children with catch up in Key Areas- Reading and maths fluency.	EEF (+4) Small group tuition is defined as one teacher or professional educator working with two to five pupils together in a group. This arrangement enables the teacher to focus exclusively on a small number of learners, usually in a separate classroom or working area. Intensive tuition in small groups is often provided to support lower attaining learners or those who are falling behind, but it can also be used as a more general strategy to ensure effective progress, or to teach challenging topics or skills.	1 , 2 , 3

### Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £64,129.00

Activity	Evidence that supports this approach	Challenge number(s) addressed
Learning Mentor appointed to work with vulnerable families and Provide wellbeing sessions and work to generally improve parental engagement. 75% Staffing of learning mentor: £20,877.00	EEF (+4) Social and Emotional Learning – interventions which target social and emotional learning seek to improve pupil's interaction with others and self management of emotions, rather than focusing directly on the academic or cognitive elements of learning. SEL interventions might focus on the ways in which students work with (and alongside) their peers, teachers, family and community. These include : specialised programmes which are	1, 4, 5

<p>Learning Mentor (LS)</p> <p>Appointed to provide additional wellbeing sessions / play therapy / lego therapy / provide support for the LM and for all children as needed.</p> <p>£6,130.00</p>	<p>targeted at students with particular social or emotional needs.EEF (+3)</p> <p>We define parental engagement as the involvement of parents in supporting their children's academic learning. It includes:</p> <ul style="list-style-type: none"> <li>• approaches and programmes which aim to develop parental skills such as literacy or IT skills;</li> <li>• general approaches which encourage parents to support their children with, for example reading or homework;</li> <li>• the involvement of parents in their children's learning activities; and</li> <li>• more intensive programmes for families in crisis.</li> </ul>	
<p>Off The Record counsellor appointed to work with vulnerable children identified by staff.</p> <p>£9,000</p>	<p>EEF (+4)</p> <p>Social and Emotional Learning – interventions which target social and emotional learning seek to improve pupil's interaction with others and self management of emotions, rather than focusing directly on the academic or cognitive elements of learning. SEL interventions might focus on the ways in which students work with (and alongside) their peers, teachers, family and community. These include : specialised programmes which are targeted at students with particular social or emotional needs.EEF (+3)</p>	4 , 5
<p>Lunchtime staffing, to provide support and more activities for children to take part in at lunchtimes.</p> <p>£5,096.00</p>	<p>Planned extra-curricular activities which include short, regular, and structured teaching in literacy and mathematics (either tutoring or group teaching) as part of a sports programme, such as an after-school club or summer school, are more likely to offer academic benefits than sporting activities alone.</p>	

<p>Provision of Breakfast club to allow any children to come into school to ensure they begin the day with breakfast and a calm start to their morning.</p> <p>Food and Drink: £1,850.00</p> <p>Staffing: £10,344.00</p>	<p>Before and after school programmes with a clear structure, a strong link to the curriculum, and well-qualified and well-trained staff are more clearly linked to academic benefits than other types of extended hours provision.</p>	<p>4 , 5</p>
<p>Enrichment activities (Brass lessons, Young Voices, Trips etc.)</p> <p>£6,500.00</p>	<p>EEF (+4)</p> <p>Social and Emotional Learning – interventions which target social and emotional learning seek to improve pupil's interaction with others and self management of emotions, rather than focusing directly on the academic or cognitive elements of learning. SEL interventions might focus on the ways in which students work with (and alongside) their peers, teachers, family and community.
